

IN THE CLAIMS

Please add the Claims, as follows:

*Rule 1.126*  
14. A method for a first supplier to coordinate supply chain activities, the method comprising:  
receiving information regarding at least one direct supplier and at least one indirect supplier;  
using the information as data inputs for data processing to assist in the coordination of supply chain activities; and  
providing value for the benefit of the at least one direct supplier and the at least one indirect supplier in consideration of the participation of each benefited supplier in a supply chain financing program.

*14*  
15. The method as in Claim *13* further comprising:  
assisting at least one benefited supplier to obtain favorable financing terms from a lender.

*15*  
16. The method as in Claim *14* further comprising:  
providing information to a lender about at least one assisted supplier for the lender's use in making decisions.

*16*  
17. A method for a lender to lend to a borrower, the borrower being a participant in a supply chain, the method comprising:  
receiving first information regarding the creditworthiness of a supplier in the supply chain from a borrower;  
receiving second information regarding the creditworthiness of the borrower from at least one participant, other than the borrower, in the supply chain;  
receiving third information regarding the borrower's exchange of specified data with at least one participant, other than the borrower, in the supply chain; and  
using at least the received first information, the received second information, and the received third information to make lending decisions.
